CAPTION:

American LeMans Series co-drivers for Falken Tire's Porsche 911 GT3 RSR, Wolf Henzler and Bryan Sellers, shared sage advice to Riley Elementary School students as part of Racers Who Care's annual Quick Tips on Winning in Life life skills field trip program for hundreds of kids at the Toyota Grand Prix of Long Beach, recently. During each field trip kids are treated to presentations by racers based on their own personal experiences encountered while negotiating road blocks and potholes on their individual paths to career success, and centered on key Tips such as Learn the Art of Teamwork. Kids are then treated to racer-led paddock tours where they see real life examples of the Tips they just learned about. The field trip program was supported by donations from the Grand Prix Association of Long Beach and Galpin Motors' Premier Collection. [Photos by Chris Ellis]
