PAGE TWO

The Quick Tips on Winning in Life life skills presentations are an avenue through which professional racers can give back to the communities where they live and race, by inspiring, affirming, empowering, and fueling the dreams of children and teens and encouraging them to believe in themselves.

Quick Tips presentations center on key universal truths RWC calls Quick Tips on Winning in Life, applicable to all children and teens regardless of age, cultural background, or life experience: find something to do in life that you really love, study, learn the art of teamwork, find a mentor, take the long view, be flexible with your dreams and goals, avoid the path of least resistance, and more.

Racers Who Care, Inc. is a West Hollywood, California-based 501c3 charitable corporation, founded in 1993, that works with auto, boat, motorcycle and truck racers dedicated to making a positive difference for our next generation. In Southern California, and throughout the U.S. in communities surrounding their tracks, RWC's racers have unforgettably impacted kids with exciting observations on how to succeed, presented by people who have -- very publicly, and in a field perceived as ruthless, tough and unforgiving.
