HERE'S A MESSAGE FROM CAR RACING CHAMPION,
NATHAN SWARTZBAUGH:

Hey, kids!

Here's a Quick Tip on Winning in Life from Racers Who Care.

Last year, the team I was going to race for went out of business.

I was heartbroken!

But, I knew I needed to be flexible with my dream.

Now, I'm in charge of a racing school.

You can be flexible, too!

If something doesn't work out for you, you can still live your dream!

You don't quit! Just try a different approach.

There are a lot of ways to be involved in just about anything you want to do.

Just find out what works for you.

THAT'S how you win in life!

BE FLEXIBLE WITH DREAMS AND GOALS!
