HERE'S A MESSAGE FROM CAR RACING CHAMPION,
NATHAN SWARTZBAUGH:

Hey, kids!

Here's a Quick Tip on Winning in Life from Racers Who Care.

I'm a professional race car driver. I learned early in my career that winning a race is ALL about teamwork.

My racing team takes care of my car and looks out for me.

And, together, we win races!

You can win in life with *your* team - your family, your friends and your teachers!

Learn the art of teamwork.

Learn to work well with your team.

THAT'S how you win in life!
