"Racers who Care"

Dear racers,

we appreciate for coming to the Grand Prix. We love to see the cars in action. We do like race cars. As if we are seeing your helmets in action. I guess riding in race cars would be cool. Next year, we want to see how the cars work. But actually, we want to go in the cars. We would meet the racers. They would tell us some things about race cars. We would wear some of the helmets. It would be totally fun and amazing!
